Acumen\Parsons Joint Venture Project Win: BART General Engineering Services Contract

Acumen is pleased to announce its joint venture with Parsons (APJV) has been selected to provide consultant General Engineering Services (GES) for the San Francisco Bay Area Rapid Transit District (BART) over the next five years. The APJV team, composed of 11 subconsultants, will deliver top-flight services in an array of technical disciplines, including architectural, civil, structural, mechanical, electrical, and systems project work. This selection sends a clear signal to the community that BART is committed to diversity and the expansion of small businesses at the prime level as the APJV has the highest commitment to DBE participation of any of the teams selected for BART's GES roster.
